"Imagine a scene where you find your perfect home: a cozy bedroom full of pillows, a luxurious kitchen with all you need, a massive living room with comfy sofas and a 3D television. You are asking for the rent—what the manager says is completely unaffordable. You go home, desperate and miserable, thinking that you just don't have the money to buy a good home. And this is the end of your day." says John Bobs, a COZY HOMES resident nowadays.
